### Notes on Morrowind tabs

If you are playing a regular Appalachian Dulcimer rather than a stick dulcimer then you just need to interpret the tabs upside down!

While working on this piece have a Listen to the original music on youtube and listen to Dulcimerea's interpretation before listening to mine.

I would love someone to help tab this out fully at some point, I may well have missed out quite a bit in the simplification, I have not put the bars, rhythm or other notations also and there are no repeats.

Good luck and very best wishes to you!

Michael J King

**"Morrowind Theme" based on Dulcimerea's version on Youtube
